

REMARKS

Claim Rejections

Claims 2-5, 8-11, and 13-15 are rejected under 35 U.S.C. § 112, second paragraph as allegedly being indefinite.

Claim Amendments and Allowable Subject Matter

Applicant acknowledges that claims 2-5, 8-11 and 13-15 would be allowable if amended to overcome the rejections under 35 U.S.C. § 112, second paragraph and remove the provisional objections to claims 13 and 15. Consequently, Applicant has cancelled claims 13 and 15 and amended claims 2-5, 8-11 and 14 to delete the term "triblock" to overcome these rejections, and respectfully submits that they should be withdrawn. In addition, the title has been amended similarly. These amendments do not exclude triblock polyesteramides from the claimed subject matter.

Summary

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,

Date: October 4, 2006
